	there was no evidence that this was the case.			Descriptions affecting their functions have been reviewed.		
CAR No. 2 of 9 Area: Monitoring and Measurement of Processes (Minor) Clause: ISO 9001:2008 Clause 8.2.3	Requirement: The organization shall apply suitable methods for monitoring and, where applicable, measurement of quality management system processes. These methods shall demonstrate the ability of the processes to achieve planned results. When planned results are not achieved, correction and corrective action shall be taken, as appropriate. NOTE: When determining suitable methods, it is advisable that the organization consider the type and extent of monitoring or measurement appropriate to each of its processes in relation to their impact on the conformity to product requirements and on the effectiveness of the quality management system. NC:/Evidence: (a) Quality objectives were not being monitored in the following functions: (i) Faculty of Science, (ii) Finance Departments, (iii) ICT	There was an extensive lack of understanding of authorities and responsibilities in the	Ensure that quality objectives and other processes affecting the QMS monitored	Ensure that mandates and responsibilities towards the QMS functions are clarified at all levels. 	Department, (iv) School of Business, and (v) University Library.	University's functions in regard to the University QMS	and measured regularly.			
	(b) The Department had not undertaken any monitoring and measurement of the activities it carried out – University Registry					

CAR No	Requirement	Root Cause	Correction	Corrective Action	Completion	Responsible
Area audited Clause	Non Conformity/Evidence				Date	Person(s)
CAR No. 3 of 9 Area: Internal Audit (Minor) Clause: ISO 9001:2008 Std Clause 8.2.2 and CUEA/VC/MR/0 3 cl. 6.2.5.1	Requirement: The management responsible for the areas being audited shall ensure that any necessary corrections and corrective actions are taken without undue delay to eliminate detected nonconformities and their causes. Follow up activities shall include the verification of the actions taken and the reporting of verification results (see 8.5.2) CUEA/VC/MR/03 cl. 6.2.5 – The audit team members shall ensure that appropriate corrective actions are suggested and agreed upon by the auditee. The close out audit shall be carried out within 30 days. NC:/Evidence: (a) Insurance and Immigration (Human Resource) – there was need to ensure that Auditors close their audits and that the Department approved the audit findings as required; (b) Transport and Maintenance (Estate and Infrastructure) – Previous audits needed to be closed; and (c) Procurement Office – Previous audits had not been closed.	(a) Audits were not motivated. (b) Some Auditees do not avail themselves to facilitate the closure of audits	Ensure that the Internal Quality Audits are closed 30 days after they are conducted.	(a) Have a schedule drawn for the pending payments of the Internal Quality Auditors. (b) After every Internal Quality Audit the Heads of Function and Internal Quality Auditors meet for corrective action planning and closing of audits.	April 2017 2 weeks after Internal Quality Audits	CFO MR HOFs / IQAs
CAR No. 4 of 9	Requirement: The organization shall take action to					

CAR No Area audited Clause	Requirement Non Conformity/Evidence	Root Cause	Correction	Corrective Action	Completion Date	Responsible Person(s)
Area: Corrective Action (Minor) Clause: ISO 9001: 2008 Clause 8.5.2	eliminate the causes of non conformities in order to prevent recurrence. Corrective actions shall be appropriate to the effects of the non conformities encountered. A documented procedure shall be established to define requirements for (a) Reviewing non conformities (including customer complaints, (b) Determining the cause of non conformities, (c) Evaluating the need for action to ensure that non conformities do not recur, (d) Determining and implementing action needed, (e) Records of the results of action taken (see 4.2.4), and (f) Reviewing the effectiveness of the corrective action taken.					
	NC:/Evidence: (a) Transport and Maintenance (Estates and Infrastructure) – Lack of mitigation measures (Corrective action) to ensure that areas of noncompliance had been addressed; (b) Faculty of Arts and Social Sciences – After both internal and external audits non-conformities had been raised but there was no evidence that corrective action had been done; (c) Institute of Regional Integration and Development – Previous	Heads of Function do not take responsibility for Corrective Action even when prompted to do so. This is because their Job Descriptions are not explicit about their leadership role in QMS matters.	Ensure that root cause analysis, correction and corrective action is done for previous audits.	Review Job Descriptions for Heads of Function to explicitly include their role in QMS matters.	30 th April 2017	HR
